CBME Student Receives Sponsorship to Attend Worldwide Forum

CBME student Wing Man KONG (Samantha) recently attended the 3-day G20 Youth Forum in Petersborough as a HKUST representative. Samantha was sponsored by both the GCE Committee and CBME department.

Samantha said sharing and exchanging thoughts and opinions with people from all over the world, and learning about initiatives taken in other countries, was one of her most unforgettable experiences of the forum.

"The conversations I had with these future leaders gave me new insights about my current research on air pollution problem in Hong Kong," she said. "I learnt more about how other countries are dealing with this problem. I will discuss and work with my friends to see how to better address the pollution problem in Hong Kong."
