

Dear Colleagues and Students,

I am very pleased to announce that the team named "SonoSolution" led by Langston Wai Leung SUEN (BEng of CBME and PhD candidate under Prof. Ying Chau) won the 2nd Prize at the 4th Annual HKUST One Million Dollar Entrepreneurship Competition.

"SonoSolution" aims at manufacturing drug delivery devices into the eye balls with the help of sonic waves, replacing the needle injection. This team won HKD150,000 as the seed fund for the start-up of the company.

Congratulations to the team and best wishes for their business endeavor!
