

CBE Awardees - Academic Achievement Medal 2020

2020-10-05

Congratulations to the CBE students, Christoper Alfredo, Longfei Chen, and Dong-hun Lee for achieving the University's highest academic honor in outstanding performance. It is noteworthy as only 2-3% of graduates are awarded the Medal each year. This highest level of academic recognition shows the relentless effort and devotion of our students towards their pursuit of excellence.

We wish to take this opportunity to send our warmest congratulations to the well-deserving students and best of luck in their future endeavors.
