

**Title for our Teaching Track Faculty Approved by the Provost - Prof. Marshal LIU (Associate Professor of Engineering Education) and Prof. Frank LAM (Assistant Professor of Engineering Education)**

Prof. Marshal LIU (senior lecturer at CBE) and Prof. Frank LAM (Lecturer I at CBE) have been awarded the title of Associate Professor of Engineering Education and Assistant Professor of Engineering Education, respectively, by the Provost.

The title is awarded only to faculty who have demonstrated excellence in their own teaching and who have also taken on a broader role to address major teaching and learning needs and develop new ideas and initiatives to support quality teaching and learning in association with E2I and CEI.

“In the years ahead, we look forward to working closely with Marshal and Frank to advance our education programs, making our students more confident and competitive in the job market!” said Prof. I-Ming HSING, Head of CBE.
