

## **Prof. Richard LAKERVELD joins the Editorial Board of Elsevier's Chemical Engineering Research and Design**

Prof. Richard LAKERVELD has just joined an eminent list of outstanding scholars to serve in the editorial board of Chemical Engineering Research and Design, in the subject field of Process Systems Engineering.

Our Professor Emeritus and Adjunct Professor Ka Ming Ng is also a member of the same editorial board in the subject field of pharmaceutical engineering.

"We are proud of having two faculty members from CBE/HKUST to serve at the editorial board of this well reputed journal in the ChE community" said Prof. I-Ming HSING, Head of CBE.
